**McKinley-Winter Livestock Commission Co. - Dodge City, Kansas**

### **SELLING 95 HEAD OF REGISTERED SHORTHORNS**

<b>14 Bulls</b>	<b>19 Cows and Calves</b>
<b>20 Bred Cows</b>	<b>23 Bred and Open Heifers</b>

CLARENCE RALSTIN, MULLINVILLE, KANSAS, sells 3 bulls and 29 females from a herd established during the past 25 years through the use of some of the top bulls in the Midwest. 1 five-year-old proven sire that was the 2nd prize winner at the Kansas State Fair; a three-year-old bull that can work improvement and 1 junior bull calf, a top prospect by Louada Chancellor by Bapton Constructor.

He sells 8 cows with calves at foot, 11 bred cows and 10 bred heifers. Included are 9 daughters of Sunnysvale Mercury, 10 by Edellyn Grand Knight and others by Springdale Challenger 6th and Bardee Imperial. Featured will be calves by and the services of LOUADA CHANCELLOR, one of the top sons of the \$50,000 Bapton Constructor. Also, 10 outstanding yearling heifers, mated to the \$5,000 NORTHWOOD ADVENTURE recently purchased from Northwood Farms in Ill.

C. M. CUMMINGS, KINGSDOWN, KANSAS, sells 11 bulls and 33 females that represent a key draft from a herd that has steadily built in the direction of modern Shorthorn cattle for over 40 years. The bulls are a grand group of 11 coming two-year-olds, sired by Claymore Frontline, P F Priam 10th and Woody's Ransom. A grand group of herd bull prospects, good enough to suit the discriminating commercial or purebred man. The 11 cows with calves at foot, 9 bred cows and 13 bred and open heifers include daughters of Hughes Mercury 6th, the 1949 Oklahoma State Sale champion. Featured will be the Get and Services of P F PRIAM 10th, a 1st prize junior yearling at the Iowa State Fair and sired by the 2nd prize winner at the Chicago International, Priam's Choice. His dam is a granddaughter of OAC Ransom 23d. If you like thickness in Shorthorns, here it is. There will be a lot of the younger cattle sired by and many of the females mated to Claymore Front Line, by Imp. Bapton Baronet by Kirkton Hercules and out of a daughter of Claymore Prince Control, grand champion bull at Denver and Houston. Many of the younger females will be mated to LANE VIEW DAZZLER by Elbrlaw Dazzling Prince 2d, also the sire of the champion Shorthorn steer at the 1958 International and the grand champion steer over all breeds at San Antonio in 1959.

# GENERAL INFORMATION

**LOCATION** — The sale will start at 12:00 o'clock noon on Saturday, December 16th and will be held at the McKinley-Winter Livestock Commission Co. Sale Pavilion in Dodge City, Kansas. This is Kansas' Largest Livestock Auction Market.

**GUARANTEE** — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale, without trouble to the purchasers, but at their risk of loss or injury.

**TERMS** — The terms of the sale are cash.

**HEALTH** — All cattle will be T.B. and Bangs tested, and official calf-hood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

**LIABILITY** — Although every precaution will be taken to provide for the safety and comfort of those attending this sale, all who attend do so at their own risk. Neither the owner, auctioneer nor the sale manager accepts any liability for accidents that may occur.

**BIDS** — Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager, Mervin F. Aegerter of The Shorthorn World; to Ted Aegerter of the American Shorthorn Breeders' Association, Seward, Nebraska; or to the press representatives, Jim Orton, Kansas Stockman; Mike Wilson, Kansas Farmer, Topeka, Kansas.

**AUCTIONEER** — Dick Kane, Wisner, Nebraska.

### **SALE DAY MESSAGES . . .**

Telephone messages to the sale manager, or to any of the field men on sale day should be made to the McKinley-Winter Livestock Commission Co. — Tele: Dodge City, Kansas, HU 3-4159.

### **DODGE CITY IS EASILY REACHED . . .**

Dodge City, famous cow town, is easily reached from any section of the country. It is located at the junctions of U. S. Hiway 50 S, 283, 45 and 154. Buyers from a distance will find good rail, bus and plane service.

### **HOTELS AND RESERVATIONS**

Excellent hotel and motel accommodations will be found in Dodge City.

A bright spot in the cattle industry is the 1% increase in the 1961 calf crop, while the U. S. population continues to increase at about 2%. This indicates that the supply of beef in itself will not be a burden this fall or next year. It does look like a good time to plan a solid beef production program and I can assure that there are cattle in this big joint sale that can help you do this.

I think it always pays to remind ourselves that Quality pays off in the cattle business. Right now as usual, many commercial producers have been receiving from 2¢ to 5¢ per lb. more for their feeder calves and yearlings than have their neighbors. Purebred men have been receiving anywhere from \$100 to \$500 a head premium for their young bulls. It is the difference in the quality of the cattle that is responsible for the difference in price and sometimes that range of a few cents per pound means the difference between profit and loss for the whole year's operation.

We have seen Shorthorn steers this year win more than their share of championships at a number of shows. We have seen Shorthorn feeder calves bring a premium over that of other breeds in numerous sales. We have seen the largest crowds out at a number of our Shorthorn Sales and we have seen more interest in the development of registered and commercial Shorthorn herds than has been witnessed in several years. The reason for this is simply that we have increased the quality level of our breed to the place where they are attracting interest of good cattlemen everywhere.

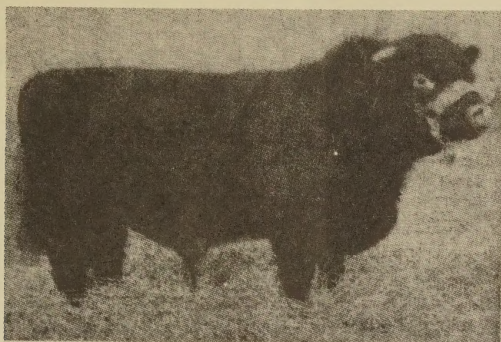

This offering is being made by two highly regarded cattlemen and everything sells fully guaranteed, T. B. and Bangs tested. This is the same breeding that has produced many champions and top sellers in Kansas in regional shows and sales for the past several years. New breeders will find ideal foundation material and well-established breeders will find bulls and females of the quality and breeding that can help raise the standards of their own herds.

Last spring, Charles Cummings again bought another top young sire; a half brother to the International champion Shorthorn steer. Only late in October, Clarence Ralstin, paid \$5,000 for the young proven sire, Northwood Adventure, in the Northwood Blue Heather Sale in Cary, Illinois.

These two breeders have been "doing things" to improve the quality of their herds. You as a progressive cattleman also, will never find a better time to think about improving your own herd and you can do something about it at Dodge City on Saturday, December 16th.

LOUADA CHANCELLOR - Great headed, heavy-boned son of the \$50,000 Bapton Constructor and out of a beautiful daughter of the \$8,000 Louada Forager. She is from the Naemoor Cinderella family. His grandam, Louada Cinderella Bride is one of the best daughters of Calrossie Armada. We are featuring calves by this bull in this sale and you're going to like them because of their good heads, ruggedness, bone and substance. There is little doubt but what Louada Chancellor is destined to be a great sire. The first calf sired by him was the 2nd top selling steer at \$330 in the Ulrich Bros. Calf Sale. Good cattlemen can profit from his Get and Services we are selling in this sale.

NORTHWOOD ADVENTURE -- The most popular bull in the recent record-making Northwood Sale where we purchased him for \$5,000. Northwood used him liberally and some of the first calves sired by him at Northwood are most outstanding. His dam is one of the best females in the Northwood herd and was purchased for \$3,800 in the 1958 Louada Manor sale. Gordon Blackstock said that another daughter of hers, Northwood Broadhooks 2d, purchased in the Northwood sale for \$5,100 by Temple Farms, Wadsworth, Illinois, was one of the best females ever to be sold any place at auction. We are pleased therefore to have been able to buy Northwood Adventure and we are selling 10 young females in this, most of which will be safe in calf to him by sale day, Lots 23 to 32 --

His dam by the \$6,000 Calrossie Imperial, equalled the top selling price in the Webb Dooley Dispersion Sale in September, 1960. His sire, Gregg Farms Climax, is a half brother to the Chicago reserve grand champion bull, Gregg Farms Hoarfrost, both being sons of the \$4,000 Edellyn Valiant Mercury. Here's a bull just in the prime of life, a wonderful pedigree and the right kind. Many of the cows sell with calves at foot by him and have been rebred to him. We also sell 16 yearling heifers by him and you will like them all. Somebody looking for a top club calf sire, can end their search here.

ROYAL CHALLENGER 2d -- Here's a great-headed young bull that we have used liberally this past season and he was retained for herd bull insurance until we bought the \$5,000 Northwood Adventure in the Northwood Sale at Cary, Ill. on October 21st. Even so, maybe we shouldn't be selling him because he's the kind of a bull that can help us work improvement and can do the same in most herds. LANE VIEW DAZZLER -- Purchased at the Iowa Royal last spring is a very thick, well-balanced young bull that we have used liberally on our heifers this year and an excellent group of them are selling in this sale. He is a half brother to the champion Shorthorn steer in the 1958 International and to the grand champion steer at San Antonio in 1959. His dam by Millhills Starry Archer is one of the biggest cows in the Glen Struve herd and has been a wonderful producer. His sire, Elbrlaw Dazzling Prince 2d is out of the International champion female, Tolquhon Dazzling Princess.

# CUMMINGS-RALSTIN SHORTHORN PRODUCTION SALE

SPECIAL ATTENTION is called to the following 11 bulls consigned by Charles Cummings. They are a very uniform lot that have been handled together, are good-headed, thick, deep-bodied, short-legged and well-developed. There are several outstanding herd bull prospects in this group and any commercial man that can use a group of bulls of top quality, will find this set good-legged, heavy-boned, well-developed and ideal for his selection. They haven't been pampered, they have been run on pasture and fed together and have been handled right out in the open.

## **Standard Guarantee of the American Shorthorn Breeders' Association**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller. Cows with calves at foot even though bred are not given any guarantee.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
